Luckily, as a Platinum Cardmember, you can expect a different, more luxurious experience.

Walk into VIP airport lounges around the world at no extra charge with complimentary Priority Pass membership for you and the main Supplementary Cardmember.¹ It doesn't even matter which airline you're flying with or what class your flight is. Escape the stress of airports and relax before your flight with drinks and snacks.

In addition, you will have complimentary access to the airport lounges of some of our airline partners.¹ Upon landing, chauffeur services are available to ensure a comfortable transfer to your destination.¹

If you need to hire a car, the Platinum Card also includes complimentary enrolment with Hertz #1 Club Gold and Avis Preferred.¹ This gives you access to benefits such as the ability to skip the queue and go directly to your vehicle, as well as upgrades, when available.

From end to end, the Platinum Card can help turn your airport experience into smooth sailing.

Enrolment in the Membership Rewards programme is complimentary for Platinum Cardmembers. Since points never expire, it won't be long before they start adding up.

As part of your Cardmembership, you will receive an additional Platinum Card. It can be used to organise your expenses or kept in separate locations for added convenience. You may apply for up to five complimentary Supplementary Cards in your choice of Gold or Green. Supplementary Cards can be given to people you trust so they can share in the benefits.

With no pre-set spending limit,⁴ the Platinum Card gives you the confidence of being able to spend as much as you want. And for those times when you would prefer to use cash, you can withdraw up to US\$/€1,000 in any seven day period, or £1,200 in any thirty day period, from cash machines all over the world.⁵
